American Capitalism Would Die w/o Bait and Switch

So why should Paypal pay the scores
suckered into their Credit Card Clone?
Pin a rose on me I’m one!

Just thought: I’m answering security questions.
Or enmeshed in the pain in the balls much
of the web can be. Hassle

getting back to direct pay this last time. Hey! The Sleaze-
ball-1% behind every page in the freakin world, okay?
But thus was it ever! Pre-electron. Pre every fuckin thing!
